New Building Project Update

Building Fund

The parish's finance committee has asked and been granted a \$25,000.00 loan from the diocese to complete three Spring building projects. The first project is to fix the foundation wall at the North-side entrance of the church which has cracked and there is water seepage below the stairwell. The second project is to resurface the parish hall with new tiles and to fix any areas which the wood underneath has softened. The final project is to fix the wooden fence which encloses the second-floor rectory deck. The bishop has graciously exempted the fundraising for these projects from the annual calculation of the diocesan administrative expense (the tax which all parishes pay the diocese based on annual revenue). Therefore, please use your building fund envelopes each month. The monies in that fund will be used for the repayment of the diocesan loan. Thank you for your generosity and your participation in helping to keep our church in tip top shape! --- Fr Sam

Pastoral Pondering

We heard in our second reading today from the first letter of John, “Whoever obeys His Word, truly in this person, the love of God has reached perfection. By this we may be sure that we are in him.” Great words to ponder as they emphasize the importance and power of God’s Word to increase our capacity to love and to witness to the world, what a Christian life is all about! In order to obey God’s Word, we must first read it. In order to obey God’s word, we must internalize it. In order to obey God’s word, we have to let it have power and authority over every aspect of our lives. Obedience is based on the Latin word meaning ‘to listen,’ and so, obedience to God’s Word means listening to what it has to say to us and allowing that Word to make us vulnerable to transformation. In this way and this way only will the Word truly effect in our hearts, minds, and souls, what God intends for us. Do we take time then, to ponder God’s holy Word? Have we carved out daily time to allow God’s Word to penetrate deeper and deeper into our very selves and to affect us at the core level? A good way to find out is to assess how well we are loving God and our neighbor. In what ways have we allowed God’s love to affect our daily actions and to influence our thoughts? The more we become like Jesus and make His priorities our own, the more we will see the love of God shine through our day to day actions and our significant relationships. The Word of God is truly a source of New Life as it is based on the Living Word, Jesus Christ, himself! May we grow closer to Him each day by obeying his Word each day. A pastoral pondering as we rejoice in the New Life celebrated in Easter Season.

Together in Faith - Ontario Catholic School Trustees’ Association

During the month of April, Sudbury Catholic Schools are celebrating the value of STEWARDSHIP. Throughout the month students will participate in activities in the classroom and school yard to encourage and promote the value of Stewardship. We will be relating the topic of stewardship to our work and responsibility as keepers of the beautiful world God has given us. Please pray for our Catholic School staff and students as they continue to put values into action.

“This is how one should regard us, as servants of Christ and stewards of the mysteries of God.” 1 Corinthians 4:1
