What the Kingdom of God is like:

What can mustard seeds teach us about the kingdom of God? The tiny mustard seed literally grew to be a tree which attracted numerous birds because they loved the little black mustard seed it produced. God's kingdom works in a similar fashion. It starts from the smallest beginnings in the hearts of men and women who are receptive to God's word. And it works unseen and causes a transformation from within.

Just as a seed has no power to change itself until it is planted in the ground, so we cannot change our lives to be like God until God gives us the power of his Holy Spirit. Christ became all things to restore all of us in himself. The man Christ received the mustard seed which represents the Kingdom of God; as man he received it, though as God, he had always possessed it. Let us allow the seed of God's word to take deep root in your life and transform you into a fruit-bearing disciple of Jesus Christ.
