### **Our love for God is a response to his exceeding grace and kindness towards us:**

What does God require of us? Simply that we love as he loves! God is love and everything he does flows from his love for us. God loved us first and our love for him is a response to his exceeding grace and kindness towards us. The love of God comes first, and the love of neighbor is firmly grounded in the love of God. The more we know of God's love and truth the more we love what he loves and reject what is hateful and contrary to his will.

What makes our love for God and his commands grow in us? Faith in God and hope in his promises strengthens us in the love of God. They are essential for a good relationship with God, for being united with him. The more we know of God the more we love him and the more we love him the greater we believe and hope in his promises. The Lord, through the gift of the Holy Spirit, gives us a new freedom to love as he loves.
