The sign of the budding fig tree:

The fig tree was a common and important source of food for the Jews. It bore fruit twice a year, in the autumn and in the early spring. The prophet Joel mentions its fruit-bearing as a sign of favor from the Lord (Joel 2:22).

This parable foretells the joy of God's kingdom - the joy of new life and the promise of a new age of peace and blessing. The signs of spring are evident for all who can see. Just so are the signs of God's kingdom. The "budding" of God's kingdom begins first in the hearts of those who are receptive to God's word.

The first coming of the Lord Jesus is inseparably linked with his second coming at the end of this present age. We do not know the day or hour when the Lord will return in glory. But now in this present age we can experience the first-fruits of the kingdom of God - the abundant new life in the Holy Spirit who dwells within us, and the fruits of the Spirit - love, peace, joy, patience, kindness, goodness, faithfulness, gentleness, self-control (Galatians 5:22-23) and so many other qualities which the Spirit works within us - thus enabling us to love and serve others with tender-hearted mercy, patience, and goodness.
