### **Love is more precious than gold or silver:**

Jesus taught his disciples a dramatic lesson in generous giving with love and devotion. Love doesn't calculate - it spends lavishly! Jesus drove this point home to his disciples while sitting in the temple and observing people offering their tithes. Jesus praised a poor widow who gave the smallest of coins in contrast with the rich who gave greater sums. How can someone in poverty give more than someone who has ample means? Jesus' answer is very simple - love is more precious than gold!

Real giving comes from a heart full of gratitude. Jesus taught that real giving must come from the heart. A gift that is given with a grudge or for display loses most of its value. But a gift given out of love, with a spirit of generosity and sacrifice, is invaluable. The amount or size of the gift doesn't matter as much as the cost to the giver. Do we know the joy and freedom of giving liberally to God and to neighbor with gratitude and love?
