### **God unites us to Himself in a bond of love and peace:**

In Jesus' Last Supper discourse, He speaks of the love He has for His disciples and of His Father's love. How can we know and be assured of the love of God? The Holy Spirit helps us to grow in the knowledge of God and His great love. The Spirit enables us to experience the love of God and to be assured of the Lord's abiding presence with us.

In His farewell discourse, Jesus grants *peace* as His gift to His disciples. The *peace of Christ* is more than the absence of trouble. It includes everything which makes for our highest good. The world's approach to peace is avoidance of trouble and a refusal to face unpleasant things. Jesus offers the peace which conquers our fears and anxieties. Nothing can take us from the peace and joy of Jesus Christ. No sorrow or grief, no danger, no suffering can make it less.
