Our true source of joy comes from God who saves us:

Why does Jesus tell His disciples to not take joy in their own successes, even spiritual ones? Jesus makes clear that the true source of joy is God, and God alone. Regardless of the circumstances, in good times and bad times, in success or loss, God always assures us of victory in the Lord Jesus Christ.

Jesus assures His disciples that He has all power over evil, including power over Satan and the evil spirits or fallen angels who conspire against us. Scripture tells us that Jesus came into the world to overthrow the evil one. We too, as disciples of the Lord Jesus, have been given spiritual authority and power for overcoming the works of darkness and evil. God gives us His life-giving word that we may have abundant life and joy in Him. He wills to work in and through each one of us for His own glory. God shares His all-powerful word with us and He commissions us to speak it boldly and plainly to others. Let us witness the truth and joy of the Gospel by word and example to those around us.
