Eucharist is merely sharing:

Today we are celebrating the Solemnity of the **Body and Blood of Our Lord Jesus Christ**. In Latin, it is known as Corpus Christi. Before Jesus had been arrested, He wanted to have supper with His apostles so He arranged a dinner. That is the famous Last Supper. Christ shared His life with all. The Word Mass tells us to gather together.

Eucharist is merely sharing. Jesus broke the bread and gave it to all. Like that, we are also called to follow Christ by sharing. Jesus could feed the multitude by sharing what they had with them. Let us think whether we have this mind of sharing. This feast tells us to have communion with God and our neighbors. One of the main things Jesus taught us was that we are to care for and share with each other. We know the Verse 12 from Matthew Gospel Chapter 7: Whatever you wish that others would do to you, do also to them. Sharing is the expression of love.

St. Mother Teresa says: Everyone, not just the Missionaries of Charity, can do something beautiful for God....This is the future - this is God's wish for us – to serve through love in action
