### **Faith-filled persistence earns the fruit of justice and grace:**

Jesus told the parable of the persistent widow and the unjust judge to give His disciples fresh hope and confidence in God's unfailing care and favor toward us. Those who put their faith in God and entrust their lives to Him can look forward with hope and confident assurance.

**Faith** is the entire gift that God gives to us. We could not believe, trust and persevere with hope if God did not first draw us to Himself and reveal to us His merciful love and care. If we want to grow and persevere in faith until the end of our days, then we must nourish our faith with the word of God and ask the Lord to increase it. When trials and setbacks disappoint us, where do we place our hope and confidence? Do we pray with expectant faith and confident hope in God's merciful care and provision for us?
