Love to the death:

The Lord Jesus gives his followers a new commandment - a new way of love that goes beyond giving only what is required or what we think others might deserve. What is the essence of Jesus' new commandment of love? It is a love to the death - a purifying love that overcomes selfishness, fear, and pride. It is a total giving of oneself for the sake of others - a selfless and self-giving love that is oriented towards putting the welfare of others ahead of ourselves.

Jesus says that there is no greater proof in love than the sacrifice of one's life for the sake of another. Jesus proved his love by giving his life for us on the cross of Calvary. He wants us to love one another just as he loves us, whole-heartedly and without reserve. His love fills our hearts and transforms our minds and frees us to give ourselves in loving service to others.

If we open our hearts to his love and obey his command to love our neighbors, then we will bear much fruit in our lives, fruit that will last for eternity. Do we wish to be fruitful and to abound in the love of God?

Fr. Denis Vaiz
